Request for Cal Grant Fifth Year Benefits

Mail to: California Student Aid Commission, Grant Programs Operations, P.O. Box 419028, Rancho Cordova, CA 95741-9028

Name: _____   Social Security number: _____

Complete this form if you are enrolled in a mandatory five-year undergraduate program and are requesting additional Cal Grant A or B benefits. A mandatory five-year program is an undergraduate program **which requires all participants to complete more than four years of undergraduate study to obtain their degree.** Payment of your grant is subject to verification by your institution that you are enrolled in an eligible fifth year program. A list of eligible institutions and programs is on the reverse side of this form. If your course of study or institution is not listed, you must contact your campus registrar to request that they provide a letter verifying that the program in which your are enrolled is a mandatory five-year program. Please attach the letter to this form and return it to the California Student Aid Commission at the address above.
